Continued growth prompts new senior appointments at NewNet

Internet service provider NewNet plc has announced the promotion of Commercial Director John Mobley to be the company's new Managing Director.

Former MD and company founder Peter V Coates Buglear moves to take up a new role as Chief Executive Officer and Executive Chairman of the Board of Directors.

Peter, who founded the company in July 1995 and has been instrumental in managing NewNet's growth and development as an award winning internet service provider commented:

"John's experience, energy and hands-on approach as Commercial Director has already added immense value to NewNet plc. His promotion to Managing Director is all part of our continued growth strategy."

Added John Mobley, "We pride ourselves on our ability to deliver high-quality, cost-effective products and services. My job is to make sure we continue to do that as well as meet our growth plans."

A key element of our plan is the appointment of Darren Merrett as Sales Manager. Darren is an Internet enthusiast and has clearly already made his mark with sales management skills. He is a valuable addition to the team."

Darren took up his position at NewNet's Fareham; Hampshire based headquarters in September 2005. He has spent the last 10 years working in business to business IT sales and brings a wealth of experience to NewNet.
