## **NewNet low- cost SDSL Broadband prices**

NewNet plc today announced huge reductions for its SDSL Internet services. The 2Mbps SDSL connection has been reduced from £166 to £141 \*per month. Connection charges have also been reduced from £495 to £249.

This represents a new industry benchmark in SDSL pricing.

“Our new SDSL price plan offers businesses a less expensive and more convenient way to enjoy NewNet’s Award Winning Internet services. NewNet’s portfolio of SDSL based connections are available throughout the UK and offer unlimited Internet data transfer at incredibly fast speeds for both upload and download.

“This announcement coupled with our recent Home ADSL Broadband pricing reductions shows our commitment to offering unbeatable products and services at an even lower price, for everyone. Customers can also purchase our pre-configured routers, available with all services to help get their Internet service up and running with minimum hassle” said John Mobley, MD NewNet plc.
